

2010 WFHS Wolverine Football Corporate Sponsorships

West Forsyth High School Touchdown Club www.WFTDC.com

The West Forsyth High School football program is entering into the 2010 season as part of the Region 6 AAAAA division for the first time. The financial support of local business is needed more than ever. We greatly appreciate your donation, and pledge to support your business with our patronage as a sponsor of our program. With your assistance many of our program's visions and dreams may be fulfilled. As you may know, the financial assistance of state and county funding for public schools has been greatly reduced, with the vast majority of the expenses for the program are being paid through sponsorships and fund raising of the Touchdown Club. The ability to grow a state-of-the-art program that is able to compete at the 5A level requires your financial support.

Should philanthropic donations something your business is considering this year, please support the West Forsyth Touchdown Club through one of several programs outlined below. Your business sponsorship helps players fulfill their player fee requirement.
